Dear Matthew Arch,

On behalf of Dr. Larry E. Davis, Dean of the School of Social Work, I would like to inform you that the tuition scholarship you were awarded through the School of Social Work was generously sponsored by the ***Wheeler Family Scholarship***.

Students like you represent the heart of the school, and it is our goal to assist you in obtaining the highest quality of graduate education possible. University donors help make this happen by ensuring students receive financial support through training fellowships, tuition awards, and student resource funds. As the recipient of an endowed gift award, you will receive an invitation in the spring term to an event recognizing these donors.

You will also be contacted later in the year to complete a short questionnaire that will demonstrate your experience at Pitt. We encourage your participation, as those responses will be shared with the donors within a letter of appreciation and gratitude.

Lastly, please cite this award on your résumé, as it is an honor to have received a named scholarship. You should be proud. Good luck with your final exams and thank you for being such an important member of the Social Work family!

Sincerely,

A handwritten signature in blue ink that reads "Megan M. Soltesz".
