Dear Matthew:

Congratulations! You have been selected by the Alumni Society of the College of Health and Human Development to receive its 2013 Emerging Professional—Undergraduate Degree Award. The award honors alumni who have graduated within the past ten years who have demonstrated professional excellence and exemplary voluntary community involvement in a health and human development field.

The College of Health and Human Development Alumni Society invites you back to University Park campus on **Friday, October 25, 2013**. On that day we hope that you will share your professional expertise and experiences with faculty, staff, and students in the College and in particular, the Department of Human Development and Family Studies. Later that day, we will honor you and other award recipients at an awards dinner hosted by the board of directors of the Alumni Society.

I will be in contact with you to answer any questions you may have and discuss the plans for your visit. In the meantime, we will need a photo of you for use with publicity and publications. This photo should be a “headshot” and can be sent to me by mail or electronically.

I look forward to working with you to plan your visit. If you have any questions, please do not hesitate to contact me at 814-863-2207 or [k1f133@psu.edu](mailto:k1f133@psu.edu)

Congratulations, once again!

Sincerely,
